Lubenham Neighbourhood Plan

Results Employment and Business Questionnaire September 17th 2013

Employment and Business Issues Identified

The following comments in relation to the employment and business issues affecting the Parish have been made at previous events and focus groups. The comments were used in a questionnaire to find out how much other residents agreed or disagreed with each comment.

Responses received 7

1.	Employment & business issues	Agree	Neutral	Disagree	
	MH economy is built on many small businesses - this is a good model to foster because it has greater stability in times of recession	80.0%	0.0%	20.0%	
	The working environment in 2030 will be very different from what it is now with more people working from home at least part of the time - an innovative approach to a community hub would make this experience more positive sociable and enjoyable	66.7%	16.7%	16.7%	
	Protection of existing employment/business sites from use as other types of development(e.g.housing is high to medium priority)	40.0%	60.0%	0.0%	
	There should be provision of off street parking or alternative travel arrangements to enable employees to travel to work is a priority	75.0%	0.0%	25.0%	
	Clear signage to business units is a benefit to local business	40.0%	40.0%	20.0%	
	Office premises for small to medium business should be a priority	80.0%	20.0%	0.0%	
	Development of small to med retail space is a medium priority	60.0%	40.0%	0.0%	
	Development of large industrial units is not supported in the village	100.0%	0.0%	0.0%	
	Subtle employment/business/retail development could be incorporated within any future housing development	60.0%	40.0%	0.0%
